## Profile

I am passionate about coding in different languages and love to push myself out of my comfort zone. In two years in IADT, I had gained a huge interest in coding and became one of the best in my class

## Education

### BSc (Hons) Creative Computing, Institute of Art Design and Technology

SEPTEMBER 2021 – PRESENT

- Year 1 GPA : 3.40
- Year 2 GPA : 3.15
- Working with MySQL gave me a great understanding with database queries and tables.
- Within the Laravel framework, I used breeze as a minimal starting point with each of my projects. I would have used MySQL, PHP and bootstrap to build my websites.
- Using JavaScript and MySQL, I retrieved data from the database and created various charts to visually display the data.
- With Linux I gained an understanding about -le permissions, management and proccesses.
- Using Tableau and R, I retrieved data and displayed it visually to make the data more understandable.
- Creating single page applications using react.js and retrieving data from an API to display this data presentably.
- Recieved a certificate for completeing the Cisco Networking Essentials module
